

President Report- Sue Simmons- January 2024

I hope everyone's Holiday season was a good one.

Haven't had any sign-up sheets on the table on Sundays for a while. Some people would rather be asked and not sign up to participate in things so we will try something new. Dawn Smith has agreed to ask members to bring a treat on Sunday after church so we can enjoy some social time together.

And right now, we have no one to carry on our Celebration Sunday the first Sunday of the month so Dawn Smith will be volunteering to see to that in February. We will do the Celebration Sunday's every other month this year.

We have a young man helping Rev. Oliver this month with some cleaning up in the church and doing some painting on Saturday's.

Due to a donation that was received for the Food pantry I have purchased a 20-cu ft freezer for the pantry and to be able to help Brandon with items he needs for the Community Breakfast every month, and to have some frozen items to pass out to our clients that come in to get groceries.

Stay warm these winter months.

Blessings to all,
Sue

Youth Group- January 2024

Hello,

We had a board game day but no one showed. In January we are hosting a cupcake wars event that has been advertised for a while. Dawn has a whole marketing checklist she goes through.

I am very excited to get the youth group room up and running. I am hoping to get the word out soon about the youth group and I plan on changing the name to make it more appealing.

Thank you for everyone who has help so far. I truly appreciate you all.

Samantha Rohrer
