

President Report- Sue Simmons- October 2023

Well by the weather looks like fall has arrived. Sweater weather. We are entering a very busy time of year. The food pantry and heart ministry is getting stocked for the colder weather and the increase in clients coming for food.

We have events coming up we need help with, please consider volunteering to help this church reaching out to people.

- We welcome Rev. David Oliver Kling as our settled minister. Hoping we all will work with him to do great things for the church.
- We are beginning to have our fellowship hall rentals coming in for the holidays so if you are interested, please let Dawn R. know ASAP.
- On November 3rd we will help the vendors set up the craft show 6pm to 8 pm.
- On November 4th the Craft Show will take place from 9am until 3 pm in fellowship hall. Volunteers are needed.
- On November 7th we have a few ladies coming in to rent a room for tap dancing. They will be here once a month for these classes and will pay for the evening.
- On November 12 after church, I will be awarding Rev. Oliver a Quilt Of Valor after church services for his service to our country and the United States Navy.
- November 18 Rev. Oliver and I will be attending a Church Association Meeting for 1 day.
- November 23rd is Thanksgiving. I wish all of you a very happy day to spend with friends and family.

Blessings and Stay Warm,

Sue

Youth Group- October 2023

The September youth Movie Day was so much fun. We watched Monsters Inc. and served popcorn, cookies, and juice. We only had had one adult and 4 kids. But they said that they truly enjoyed themselves. Which is all the matters. We spent no money this month we were able to use left over items from past events and we had some donations.

I would like to thank Nicholas Vidovich for lending us his projector and Alex who drove 3 hours to get it.

We are going to take a break in November for the youth leaders and volunteers to meet and evaluate our future youth activities. We are also walking in the parade for November and passing out information at the craft show.

I would love to see a weekly or every other week youth group eventually. That would be such an amazing goal for us.

Thank you all!
