

## **October Secretary Report- Dawn Rohrer**

September was a month of preparation. We are gaining speed in church time and we are headed into “don’t blink” time. That is actually a very good and exciting time here at St. John’s. I have been making lists so that nothing is forgotten, working a bit ahead where I can and time allows and also making it so that my time is used as efficiently as possible.

Action Item: Even though Rev. Oliver’s schedule has allowed him to be at the church more, I would like to continue to work 1 afternoon a week. For continuity purposes, I would like that to remain on Wednesdas if allowed.
